Please describe the alleged violation:

(Attach an additional page if needed)

Evidence: While reports of violations may be made via signed affidavit. However, video or photographic evidence of the alleged infraction is preferred. This may be in the form of a physical videotape or photograph, a digital attachment of a video or photograph, or a link to an online video or photograph.

Your Information: Your personal information will be kept confidential. Reports may be made anonymously, but your contact information may be useful in the event that more information is needed by the AACCA staff or Review Board. The final outcome of a violation report will be based on the preponderance of evidence found during the process.

I attest that the above claims are true and accurate to the best of my knowledge.
